

# Rang Fionnán- (LCA)

Rang Fionnán staged a very successful exhibition of their work on Friday 29th. The work was based on the theme of 'Individuality and Identity'. They created self-portraits, ceramic tiles based on their family crests and much more. Their guest speaker, Mr O'Hara, highlighted the importance of value and how Rang Fionnán's work was indeed priceless.

The success of the exhibition owed to the planning and organisational skills of the class. They greeted their guests and explained their personal artworks along with the steps they took to create them. They also served an array of refreshments which they made with the help of Ms Moylan. Thank you to all who came and supported this wonderful event.

It has been a very busy session one for Rang Fionnán. In the past month, they have hosted numerous events in the school. For HCT, the class hosted a pop-up Cafe for the staff of Coláiste Choilm. This was hugely successful and the class donated all money raised to charity. The Class also hosted an Art

Exhibition in N14 for their Art Task. The students under the superb guidance of Ms O'Reilly created their own Clay Tile pieces. Rang Fionnán have also hosted a quiz for first year students as part of an Enterprise Task and have also visited a local restaurant for HCT.

## School Self- Evaluation 2016 – 2020

“Allows schools to look at their own practices and to identify what they are doing well and what aspects of the school’s work could be further developed to improve students’ learning experiences and outcomes.”

(Foreword, Looking at our Schools, 2016)

The focus between 2016 – 2020 is Teaching & Learning.  
3 domains of school life are evaluated with a view to develop strengths and improving students’ learning experiences and outcomes.

Wellness of students and staff

Gaeilge sa Gaelcholáiste

Learning styles
